

The St. Paul Ag Society is thrilled to host a Spring Bull-A-Rama sanctioned by Bull Riders Canada Inc.

Bull Riding is the most exciting event at any rodeo, why it is always scheduled as the last event. We're excited to be hosting it as the ONLY event.

See 30 bull riders compete in the first go-round with the top 10 to come back in the final go-round.

This will be a great way to bring in the spring season, but we will need support from champions like you. We have created some opportunities to help us host this event. The Ag Society sincerely thanks you in advance for your consideration and support.
